- 8h15 to 8h45 The Opening & Structuring of the procedures of the day
by Rudi Gouws who is an ex-director of Standard Bank.
- 8h45 to 10h15 The role of ethics in the New World of Work as embodied in the
4th Industrial Revolution globally, how it impacts on the role of the
IO-practitioners and with specific reference to the significant post-
election period in South Africa
by Prof. Lené Graupner, Deputy Director at the School of Industrial
Psychology and H R Management at NWU.
- 10h15 to 10h40 Tea & Refreshments.
- 10h40 to 13h00 The role of ethics and integrity in facilitating the effective
'functioning' of the New World of Work by ensuring that people
with integrity are appointed and developed and that full benefit is
derived from the optimal application and adherence to the
integrity construct in its fullest sense (i.e., based on the CIAS-
Model of Integrity)
by Dr. Louis Fick, the CEO of Integrity International.
- &
- (11h00 to 11h40) The practical and tangible action to be taken (needed) to
proactively restore and strengthen the human side of enterprise in
the significant post-election period in South Africa – the longer
term vision
by Prof. Edward Kieswetter, the Commissioner of SARS.
- (11h40 to 12h40) Dr Fick continue his presentation.
- (12h40 to 13h00) Supportive Functionality – Online, Call Centre & Report Writing
facility
