*Overall Risk Level					Low Risk

Degree of Risk

Very High	High	Medium	Low	Very Low
-----------	------	--------	-----	----------

Please Note:

- The above risk profile should be interpreted against the requirement-profile of the particular job at hand.
- If an 'ELIMINATION' Risk Level is found on any of Guides I and/or III, the analysis-process is by implication stopped.
- The higher the score reported, the better.
